Following the circular dated 02.08.2020 and numbered 71490862-010.06.02-E.555476 issued by the Republic of Turkey MINISTRY OF CULTURE AND TOURISM Directorate of General of Investments and Enterprises, our guests who are going to stay in our hotel and who have a permanent residence abroad can take the COVID-19 test in our hotel upon their request.

We kindly ask our guests who want to take a test to be careful about the following points.

- Our guests having the obligation to take the Covid-19 test on the return to their country are required to take the test 48 hours before the flight.
- Please notify the JOY ADVISOR team that you want to take a test no later than 72 hours before your departure time to avoid delays. Your test will be performed 48 hours before your check out time.
- Our guests can take **PCR (Polymerase Chain Reaction)** test and **antibody** test.
- Hospital officials will take the samples in the infirmary of our hotel.
- The test results of our guests will be sent to the e-mail addresses of our guests **within 48 hours**.
- The copy of your passport and flight information will be shared with Acibadem Bodrum Medical Center, which is our business partner in healthcare services.
