

PINE BEACH HOTEL GUEST ANNOUNCEMENT ABOUT THE MEASURES OF COVID-19

Dear Business Partners; As it is known, with the return of life to normalization after the pandemic process that surrounded the world, we opened our Pine Beach Belek Hotel on **17/07/2020** with our new measures and Safe Tourism Certificate.

According to the circular published by the Ministry of Culture and Tourism our procedure to be applied as hotel management for our guests who test positive for Covid 19 is as follows.

The guest, who is diagnosed with COVID-19 but does not need to be treated in the hospital according to the Health Institution, is accommodated in the Isolation rooms of our facility during the reservation date, upon request.

Guests who leave our facility or whose accommodation period has expired, but who cannot leave the country due to covid-19 diagnosis, can stay at our facility if they request. The accommodation of these guests will be charged and **10% discount** will be applied from the current valid prices.

The guests diagnosed with COVID-19 and his family or other guests, with whom they have previously stayed in the same room undertake to stay in isolation rooms and not go out.

Our guests whose address is abroad can apply to the hotel reception or guest relations and have the Covid-19 test carried out for a fee of 110,-TL in our Hotel or 30 EURO in the contract hospital. Our guests, who have to submit their Covid-19 test results on their return, can apply to us 48 hours before check-out and thus avoid an undesirable delay at the airport. The guests who tested positive must first inform our hotel management and then the airport information centers.
